Separated?
Divorced?
Widowed?

There is hope.

Beginning Experience is an international, peer-led program for those who have suffered the loss of a significant relationship to separation, divorce, or death.

This weekend retreat is led by volunteers who have suffered the same losses and is open to all, regardless of religious affiliation.

Please visit www.beginningexperiencemn.com or call 320-319-8863 for more information or for an application.
